*Dear Meena,*

It was very nice to meet you at Lodge Park Academy recently to meet with students and look round the school.

I really enjoyed talking with students from across the different year groups at the school and finding out about the subjects they are studying and their aspirations for the future. I really do wish them all the best as they work towards their goals – they were a real credit to the school!

Furthermore, I was interested to hear about the school's values of respect, resilience and tolerance, and the school's change to its mobile phone policy, aimed at improving the school's community atmosphere.

Finally, I enjoyed the opportunity to look round the school, and, in particular, looking at the art work the students have produced. During this tour, it was really interesting to hear about the new 'Engage & Progress Zone' and the positive effects this is having on students' education.

Once again, thank you for taking the time to meet with me, and if I can ever be of any assistance to you, then please do not hesitate to contact me.

*With best wishes,*
