Dear Parent/Carer

I am writing to you to introduce myself as Executive Principal of Lodge Park Academy. During this term, I have had the pleasure of getting to know the children, talking with them, observing their learning in lessons and looking at their work.

I have been struck by the potential we have at Lodge Park Academy. However, to achieve our potential we must:

- Raise the expectations and aspirations of what the children can achieve
- Improve behaviours in lessons, around the Academy and in our local community
- Ensure enjoyable and productive learning experiences
- Enable our children to achieve their full potential in their studies and to prepare them for their future life

Having read the feedback from our recent parent survey, I know that these will resonate with you too and that we can count on your support.

I also want to let you know that Mr Gilbert, Interim Principal, has stepped down from his role at the school. We wish Mr Gilbert well in his future endeavours and thank him for his commitment to our school.

I will be assuming Mr Gilbert's responsibilities, ably supported by my experienced senior leadership team. I will explain more about my background as a former Principal, school improvement leader and Ofsted inspector at an important event I am asking you attend please the week after half-term.

You are invited to an event on **Tuesday 27 February 2018 at 6pm** in the Main Hall at Lodge Park Academy. I will explain how by working together we will improve the education outcomes at Lodge Park Academy and, with my senior leadership team, answer your questions.

We would be grateful if you could complete the slip below and return to your child's Form Tutor by Friday 23 February 2018 at the latest.

May I thank you for your continued support at Lodge Park Academy. I am very much looking forward to meeting you after half-term.

Yours sincerely

Meena Wood
